Rhansym Crosses the Rainbow Bridge Suzy Buckles,2018-12-09 A pet passes. People are upset. They want to argue the veterinarian's decision to prompt the owners to put their pet to sleep.

The Rainbow Bridge Pat Atkins,2021-05-26 Because of its many colours, the bridge connecting Heaven and Earth has come to be known as the Rainbow Bridge. Just this side of the bridge, there is a land of meadows, hills and lush green valleys. When a Beloved pet dies, this wonderful place serves as their home. There is always an abundance of food and water and warm sunshine. Old and frail animals are young again, and those who have been maimed are made whole. They make new friends and play all day. There is one thing missing from these carefree surroundings though, the companionship of their loving masters. Time passes and soon another day comes when one of them is distracted by a familiar scent. With nose twitching, ears at attention and eyes staring in delight, this one runs from the group... You have been seen. As you embrace, your face is kissed again and again and again, and once more you look into the eyes of your loyal companion. You cross the Rainbow Bridge together, never again to be separated. We Can Only Hope... The Rainbow Bridge was the inspiration for this book.

I Can See The Rainbow Bridge Tootsie Baron,2023-07-28 Tootsie Barron was born in North Jersey, Jersey City, and she now calls South Jersey (just outside of The Queen, Atlantic City) her home. She has two grown children and is widowed. Since her last Papillon, Wiseguy, crossed over the rainbow bridge, she lives in a world of mostly silence and her words. When she needs a break from them, she closes her eyes and remembers everything good. As always, I wish you all that Heaven allows.

The Rainbow Bridge ...a Dog's Story Judith Kristen,2010-04 After a very rough beginning in life as a puppy mill dog, Henley was rescued and then adopted into a loving home. His life was a full one, and a happy one. Henley became a Therapy Dog, a Reading Buddy, a Humane Education Ambassador, and the author of his very own book, *My Name is Henley: My life and times as a rescued dog*. Thousands upon thousands of children embraced his story and his mission to find happily-ever-afters for all our animal friends. Living a life that values life, and being the voice for those who cannot speak for themselves, were the words upon which his mission was founded. Sadly, Henley's own life came to an end on March 13th, 2010, just three days after his twelfth birthday - but his story continues. In true Henley tradition, this dear old dog comforts us once again - now from another place - to help those who have suffered the loss of a pet, and to give them a sense of closure. Yes, the tears and sadness are normal, feeling the loss is normal, and so is moving forward - to honor that much-loved friend and pet. May this gentle sheepdog's words bring you comfort, smiles, understanding, and a reason to celebrate rich memories that live on and on. Even in the darkest of situations you can find the light...if you look in the right places. And this book is one of those places.

Tales from the Rainbow Bridge A. Abbie Aardmore,2014-10-07 Tales from the Rainbow Bridge is a story of

heartbreaking loss and joyous reunions as told by Zack, a dog, the greeter at the Rainbow Bridge, as he waits for his own beloved companion to take him the rest of the way home. The endings are all happily ever after-but you must cry to get there. I acknowledge the gentle unknown soul who conceived the idea of this magical place and wrote the poem that graces many a veterinarian's waiting room and gives comfort to the grieving as they send their dear friends on ahead. I dedicate this book to everyone who has a best friend waiting at the Bridge.
