This Is Not a Love Letter Kim Purcell,2018-01-30 [A] long, beautiful, heart-breaking love letter to potential and possibilities and hope, to the pain we survive in youth and carry with us into adulthood.--NPR Book Reviews One week. That's

all Jessie said. A one-week break to get some perspective before graduation, before she and her boyfriend, Chris, would have to make all the big, scary decisions about their future -- decisions they had been fighting about for weeks. Then, Chris vanishes. The police think he's run away, but Jessie doesn't believe it. Chris is popular and good-looking, about to head off to college on a full-ride baseball scholarship. And he disappeared while going for a run along the river -- the same place where some boys from the rival high school beat him up just three weeks ago. Chris is one of the only black kids in a depressed paper mill town, and Jessie is terrified of what might have happened. As the police are spurred to reluctant action, Jessie and others speak up about the harassment Chris experienced and the danger he could be in. But there are people in Jessie's town who are infuriated by the suggestion that a boy like Chris would be a target of violence. They smear Chris's character and Jessie begins receiving frightening threats. Every Friday since they started dating, Chris has written Jessie a love letter. Now Jessie is writing Chris a letter of her own to tell him everything that's happening while he's gone. As Jessie searches for answers, she must face her fears, her guilt, and a past more complicated than she would like to admit.

The Last Letter Rebecca Yarros,2019-02-26 "The Last Letter is a haunting, heartbreaking and ultimately inspirational love story."—InTouch Weekly Beckett, If you're reading this, well, you know the last-letter drill. You made it. I didn't. Get off the guilt train, because I know if there was any chance you could have saved me, you would have. I need one thing from you: get out of the army and get to Telluride. My little sister Ella's raising the twins alone. She's too independent and won't accept help easily, but she has lost our grandmother, our parents, and now me. It's too much for anyone to endure. It's not fair. And here's the kicker: there's something else you don't know that's tearing her family apart. She's going to need help. So if I'm

gone, that means I can't be there for Ella. I can't help them through this. But you can. So I'm begging you, as my best friend, go take care of my sister, my family. Please don't make her go through it alone. Ryan

Win Me Something Kyle Lucia Wu,2022-01-25 Willa Chen has never quite fit in. Growing up as a biracial Chinese American girl in New Jersey, Willa felt both hypervisible and unseen, too Asian to fit in at her mostly white school, and too white to speak to the few Asian kids around. After her parents' early divorce, they both remarried and started new families, and Willa grew up feeling outside of their new lives, too. For years, Willa does her best to stifle her feelings of loneliness, drifting through high school and then college as she tries to quiet the unease inside her. But when she begins working for the

Adriens—a wealthy white family in Tribeca—as a nanny for their daughter, Bijou, Willa is confronted with all of the things she never had. As she draws closer to the family and eventually moves in with them, Willa finds herself questioning who she is, and revisiting a childhood where she never felt fully at home. Self-examining and fraught with the emotions of a family who fails and loves in equal measure, *Win Me Something* is a nuanced coming-of-age debut about the irreparable fissures between people, and a young woman who asks what it really means to belong, and how she might begin to define her own life.

Culture of Letter-Writing in Pre-Modern Islamic Society Adrian Gully,2008-02-07 The Culture of Letter-Writing in Pre-Modern Islamic Society received an honourable mention from the British-Kuwait Friendship Society at BRISMES 2009 Writing letters was an important component of intellectual life in the Middle Islamic period, telling us much about the cultural history of pre-modern Islamic society. This book offers a unique analysis of letter-writing, focusing on the notion of the power of the pen. The author looks at the wider context of epistolography, relating it to the power structures of Islamic society in that period. He also attempts to identify some of the similarities and differences between Muslim modes of letter-writing and those of western cultures. One of the strengths of this book is that it is based on a wide range of primary Arabic sources, thus reflecting the broader epistemological importance of letter-writing in Islamic society.
