A Winner Never Quits and a Quitter Never Wins! Lee Roberson,2000-08-01

The Dip Seth Godin,2011-02-03 This iconic bestseller from the bestselling author of All Marketers Are Liars proves that winners are just the best quitters and 'should be on every entrepreneur's book list' (Entrepreneur.com) Every new project (or career or relationship) starts out exciting and fun. Then it gets harder and less fun, until it hits a low point - really hard, really not fun. At this point you might be in a Dip, which will get better if you keep pushing, or a Cul-de-Sac, which will never get better no matter how hard you try. The hard part is knowing the difference and acting on it. According to marketing guru and best-selling author Seth Godin, what sets successful entrepreneurs (and pop stars and weight lifters and car salesmen) apart from everyone else is their ability to give up on Cul-de-Sacs while staying motivated in Dips. Winners quit fast, quit often and quit without guilt - until they commit to beating the right Dip for the right reasons. You'll never be number one at anything without picking your shots very carefully. The Dip is a short, entertaining book that helps you do just that. It will forever alter the way you think about success. 'Smart, honest, and refreshingly free of self-help posturing, this primer on winning-through-quitting is at once motivational and comically indifferent. . . Godin's truth-that we fail when we get distracted by tasks we don't have the guts to quit-makes excellent sense of an often-difficult career move' (Publishers Weekly)

Why do we find it near-impossible to re-evaluate our first impressions of a person or situation, even when the evidence shows we were wrong? Discover the answers in Sway. We all believe we are rational beings, yet the truth is that we're much more prone to irrational behaviour than we realise or like to admit. In this compelling book, Ori and Rom Brafman reveal why. Every Bitter Thing Is Sweet Sara Hagerty, 2014-10-07 Sara Hagerty masterfully draws from her own story of spiritual and physical barrenness to birth in readers a new longing for God. With exquisite storytelling and reflection, Hagerty guides readers to a tender place that God is holding just for them—a place where he shapes the bitterness of lost expectations into deep, new places of knowing Him. In the age of fingertip access to answers and a limitless supply of ambitions, where do we find the God who was birthed in dirt and straw? Sara Hagerty found him when life stopped working for her. She found him when she was a young adult mired in spiritual busyness and when she was a new bride with doubts about whether her fledgling marriage would survive. She found him alone in the night as she cradled her longing for babies who did not come. She found him as she kissed the faces of children on another continent who had lived years without a mommy's touch. In Every Bitter Thing Is Sweet, Hagerty masterfully draws from the narrative of her life to craft a mosaic of a God who leans into broken stories. Here readers see a God who is present in every changing circumstance. Most significantly, they see a God who is present in every unchanging circumstance as well. Whatever lost expectations readers are facing—in family, career, singleness, or marriage—Every Bitter Thing Is Sweet will bring them closer to a God who longs for them to know him more. What does it look like to know God's nearness when life breaks? What does it mean to receive his life when earthly life remains barren? How can God turn the bitterness of unmet desire into new flavors of joy? With exquisite storytelling and reflection, Hagerty brings readers back to hope, back to healing, back to a place that God is holding for them alone—a place where the unseen is more real than what the eye can perceive. A place where every bitter thing is sweet.
