It's Not PMS, It's You! Amlen Deb, 2010 BUST's hilarious Queen of Crosswords now has men squarely in her crosshairs." - Emily Rems, Managing Editor, BUST Magazine For every woman who has pulled her hair out trying to explain—for the 46th time—the importance of putting the toilet seat down, there's a man snickering, "Someone's on the rag." And this book is for that justifiably furious gal. The war between the sexes has raged for millennia, and *It's Not PMS, It's You!* is a hilarious, take-no-prisoners reconnaissance mission into the minds and souls of men and the things they do to infuriate women. Beginning with a completely scientific, fairly non-hormonal look at the history of the term "on the rag" and ending with the "Diary of a Break Up in One Full Menstrual Cycle," this lighthearted guide looks at: Who should fund the medical research into why men do what they do. (Hint: It's definitely NOT the government) - How to take a lesson from Hamlet's poor in-law management (Not to self: Don't kill your future father-in-law) - Why men hate to talk about their feelings (with four separate mentions of the word "penis") - An absolutely foolproof method for sustaining a long-term relationship, and why it could kill you

'Ernest Cline's novel deserves to be a modern classic' SciFiNow 'Gorgeously geeky, superbly entertaining, this really is a spectacularly successful debut' Daily Mail _____ A world at stake. A quest for the ultimate prize. Are you ready? It's the year 2044, and the real world has become an ugly place. We're out of oil. We've wrecked the climate. Famine, poverty, and disease are widespread. Like most of humanity, Wade Watts escapes this depressing reality by spending his waking hours jacked into the OASIS, a sprawling virtual utopia where you can be anything you want to be, where you can live and play and fall in love on any of ten thousand planets. And like most of humanity, Wade is obsessed by the ultimate lottery ticket that lies concealed within this alternate reality: OASIS founder James Halliday, who dies with no heir, has promised that control of the OASIS - and his massive fortune - will go to the person who can solve the riddles he has left scattered throughout his creation. For years, millions have struggled fruitlessly to attain this prize, knowing only that the riddles are based in the culture of the late twentieth century. And then Wade stumbles onto the key to the first puzzle. Suddenly, he finds himself pitted against thousands of competitors in a desperate race to claim the ultimate prize, a chase that soon takes on terrifying real-world dimensions - and that will leave both Wade and his world profoundly changed. _____ Readers can't get enough of Ready Player One . . . ***** 'THAT WAS SO TOTALLY AWESOME, WOW!' ***** 'This is an exciting story, especially for geeks, and the key word is FUN.' ***** 'Ladies and gentlemen, from this day this book is my life and I will obsess over it constantly.' ***** 'I just kinda wanna cry right now. Lost in the Meritocracy Walter Kirn, 2010-06-01 A New York Times Notable Book A Daily Beast Best Book of the Year A Huffington Post Best Book of the Year From elementary school on, Walter Kirn knew how to stay at the top of his class: He clapped erasers, memorized answer keys, and parroted his teachers' pet theories. But when he launched himself eastward to an Ivy League university, Kirn discovered that the temple of higher learning he had expected was instead just another arena

for more gamesmanship, snobbery, and social climbing. In this whip-smart memoir of kissing-up, cramming, and competition, *Lost in the Meritocracy* reckons the costs of an educational system where the point is simply to keep accumulating points and never to look back—or within.

Pay It Forward Catherine Ryan Hyde, 2014-08-19 The internationally bestselling book that inspired the Pay It Forward movement is now available in a middle grade edition. *Pay It Forward* is a moving, uplifting novel about Trevor McKinney, a twelve-year-old boy in a small California town who accepts his teacher's challenge to earn extra credit by coming up with a plan to change the world. Trevor's idea is simple: do a good deed for three people, and instead of asking them to return the favor, ask them to "pay it forward" to three others who need help. He envisions a vast movement of kindness and goodwill spreading across the world, and in this "quiet, steady masterpiece with an incandescent ending" (Kirkus Reviews), Trevor's actions change his community forever. This middle grade edition of *Pay It Forward* is extensively revised, making it an appropriate and invaluable complement to lesson plans and an ideal pick for book clubs, classroom use, and summer reading. The Myth of Sisyphus And Other Essays Albert Camus, 2012-10-31 One of the most influential works of this century, *The Myth of Sisyphus and Other Essays* is a crucial exposition of existentialist thought. Influenced by works such as *Don Juan* and the novels of Kafka, these essays begin with a meditation on suicide; the question of living or not living in a universe devoid of order or meaning. With lyric eloquence, Albert Camus brilliantly posits a way out of despair, reaffirming the value of personal existence, and the possibility of life lived with dignity and authenticity.
