Lawrence Revsine

Financial Reporting and Analysis Lawrence Revsine, Daniel Collins, Bruce Johnson, Fred Mittelstaedt, 2008-06-30 Financial Reporting & Analysis (FR&A) by Revsine/Collins/Johnson/Mittelstaedt emphasizes both the process of financial reporting and the analysis of financial statements. This book employs a true user perspective by discussing the contracting and decision implications of accounting and this helps readers understand why accounting choices matter and to whom. Revsine, Collins, Johnson, and Mittelstaedt train their readers to be good financial detectives, able to read, use, and interpret the statements and-most importantly understand how and why managers can utilize the flexibility in GAAP to manipulate the numbers for their own purposes.

Financial Reporting and Analysis Lawrence Revsine, Daniel W. Collins, W. Bruce Johnson, 2005 The CPA exam is changing. You need to change as well...to a book that better prepares you for the CPA exam and for business. This is the only book of its kind that demonstrates how to prepare financial reports and then how to analyze what those numbers really mean. Every manager has incentives to present his or her firm in the most favorable light to lenders, equity investors and others. And, every manager wants to use the flexibility allowed by GAAP to manage the firm's earnings to achieve certain goals. Revsine, Collins, and Johnson explain these incentives and help readers spot cases of earnings management, which disguises a firm's true performance. For anyone preparing to take the CPA exam, and for anyone who wants or needs a working knowledge of accounting, financial reporting, and financial statement analysis.

Financial Reporting and Analysis Lawrence REVSINE, 2014

Financial Reporting & Analysis Lawrence Revsine, Daniel W. Collins, W. Bruce Johnson, 2002 Tracing the nuances of a short-lived life, this involving and sympathetically written novel maintains a tone of finely judged tension between laughter and tears. Jonathon Bender had something to tell the world, but the world wouldn't listen. However, he left behind him unsent letters addressed to relatives, friends, neighbors, coaches, teachers, classmates, professors, roommates, psychiatrists, employers, his younger self, former girlfriends, his ex-wife, a TV station, and God, among many others. This unsent correspondence forms the narrative of a remarkable life.

Financial Reporting and Analysis, C Revsine, Lawrence, 2001

Financial Reporting & Analysis Lawrence Revsine, 2021 One of our objectives in writing this book is to help students

become skilled preparers and informed consumers of financial statement information. The financial reporting environment today is particularly challenging. Accountants, auditors, and financial analysts must not only know the reporting practices that apply in the United States (U.S. GAAP), they must also be aware of the practices allowed in other countries under International Financial Reporting Standards (IFRS). We believe it is essential for students to comprehend the key similarities and differences between current U.S. GAAP and IFRS--
