

Dizzy The Jason Gillespie Story

Tristan Bancks

Dizzy Jason Gillespie,2010-04-01 The long-awaited autobiography of one of Australia's finest sportsmen A key member of one of the greatest Australian teams in cricket history, and part of an exceptional bowling line-up that dominated opposition batsmen for a decade, Jason Gillespie gives his fascinating account of a life in cricket in *Dizzy: the Jason Gillespie Story*. the first player of Aboriginal descent to represent Australia at test level, Jason grew up obsessed with the game. Little did he realise his remarkable career would feature such dramatic highs and lows, including helping Australia claim the Ashes four times in succession; breaking his leg in a horrifying accidental collision in the field with Steve Waugh; taking on and getting the better of such legendary batsmen as Brian Lara and Sachin tendulkar; being dropped during the 2005 Ashes series; scoring a brilliant double century against Bangladesh, and ultimately carving his name in the record books as one of the top Australian wickettakers of all-time. In *Dizzy: the Jason Gillespie Story*, Jason takes us through the tours, tests and trials of playing for Australia during an unforgettable era of cricket in this country.

Dizzy Gillespie Dizzy Gillespie,1975

Resourceful Reading Katherine Bode,Professor Robert Dixon,2010-01-11 This collection provides the first comprehensive account of eResearch and the new empiricism as they are transforming the field of Australian literary studies in the twenty-first century.

Tuffers' Alternative Guide to the Ashes Phil Tufnell,2013-05-23 Brush up on your cricket knowledge of the Ashes with a hilarious and alternative guide to cricket's most fiercely contested series. In this laugh-out-loud follow up to the Sunday Times bestseller *Tuffers' Cricket Tales*, ex-England cricketer, TV personality and Test Match Special commentator Phil Tufnell offers his unique take on the whole Ashes experience. Drawing on incidents from his own colourful career and the reminiscences of great English and Aussie cricket characters, both past and present, Tuffers highlights all the elements that make for a truly memorable Ashes series, on and off the pitch. Heroic performances, personal 'Cat-astrophes', bonkers selections, cultural clashes between Poms and Ockers, slanderous sledges, dubious tactics, odd superstitions, touring high-jinx and nail-biting finishes are all on the agenda as he delves into the 131-year history of a unique sporting institution. Along the way, Tuffers, who played in five Ashes series without ever getting close to laying his hands on the famous urn, aims to discover the key to winning what is the ultimate prize for any English or Australian cricketer Shot through with his love and

knowledge of cricket, Tuffers' Alternative Guide to the Ashes is written with the characteristic cheeky charm which made Phil Tufnell a firm favourite of England's Barmy Army (and a target for good-natured abuse from fans Down Under). Raves for Tuffers' Cricket Tales: 'Hilarious' (Daily Star Sunday); 'Amusing' (All Out Cricket) Five star reader reviews for Tuffers' Alternative Guide to the Ashes: 'An excellent book. The words come to life in pictures. A great read' 'A light, non-demanding, entertaining read - I definitely recommend this book whether you're into cricket or not. I found myself giggling out loud!' 'I enjoyed stories about old time cricketers that I recall from the 60s 70s and 80s especially. Very suitable for dipping in and out of'

The Quicks Robert Drane,2022-09-22 Intimidation. Cunning. Contempt. The greatest pace bowlers have a vast arsenal at their disposal. Australian quicks have perfected the art of re-arranging batsmen's ribcages and life-priorities. Death stares and old-fashion lip are used in combination with explosive pace, tactical guile and the ability to make a cricket ball do unprecedentedly vicious things. The Quicks profiles the most successful, frighteningly-fast and charismatic Australian bowlers to ever terrorise the Poms... and every other cricketing nation. Author Robert Drane tells the stories of the men who have captivated the Australian sporting public, from Lillee and Thomson, to McGrath, Johnson and the modern menace of Starc, Cummins and Hazlewood.

Dizzy Gillespie Dizzy Gillespie,2003

Dizzy Gillespie. [A Biography. With Portraits.]. Sydney Michael James,1959

Dizzy Gillespie at Home and Abroad Dizzy Gillespie,1987

The Test Simon Jones,2015-07-02 Winner of the Wisden Book of the Year Eighteen years, eight series, eight defeats. These are the facts. I look around the room. We're a young team. Strauss, Flintoff, Vaughan, the new guy, Kevin Pietersen. None of us remember England holding the Ashes. We are a generation that have grown up in Australia's shadow. In 2005 Simon Jones took part in the greatest Ashes series of all time. As a devastating fast bowler in a brave young England team, Jones went toe to toe with the might of the seemingly unbeatable Australians. Over the course of fifty-four days Simon would experience the greatest highs of his career, and plunge to the lowest depths. The series would change his life for ever. In chapters that alternate between an unforgettable, insider's account of each of the five Tests and the remainder of his life, Simon presents the raw and unvarnished truth behind international sport; the joy and the sacrifice, the physical and mental cost and the unrelenting pressure. Heroes emerge, and cricketing legends are made human.

The Wrong 'Un Brad Hogg,2016-10-31 Memorable, unpredictable and often hilarious, The Wrong 'Un is the inspirational story of a man who will never give the game away. At 45, George Bradley Hogg - cult hero of the Big Bash League, and in recent years a star of the international T20 circuit - is still in his prime. From his childhood cricket obsession in rural Western Australia to the day he donned the baggy green, Brad overcame numerous setbacks and bouts of self-doubt.

During a seven-year gap between his first and second Test appearances, he turned his hand to a variety of jobs, most famously hitting the streets as a postie. Through persistence and enthusiasm he won his way back into the national team, and was twice part of Australia's champion World Cup sides. After retiring prematurely in 2008, he returned with a bang in 2011, starring in the BBL and once again being selected for Australia. For the first time, Brad reveals his remarkable journey - from the bush to the MCG and beyond, and from crippling insecurity to hard-won self-acceptance - all with the self-deprecating humour and honesty for which he is known and loved.

Oscar Peterson and Dizzy Gillespie Oscar Peterson, 1975

On Warne Gideon Haigh, 2012-10-25 'A superb portrait of the most brilliant cricketer of his generation' Mike Atherton Shane Warne dominated cricket on the field and off for almost thirty years - his skill, his fame, his personality, his misadventures. His death in March 2002 rocked Australians, even those who could not tell a leg-break from a leg-pull. But what was it like to watch Warne at his long peak, the man of a thousands international wickets, the incarnation of Aussie audacity and cheek? Gideon Haigh saw it all, still can't quite believe it, but wanted to find a way to explain it. In this classic appreciation of Australia's cricket's greatest figure, who doubled as the nation's best-known man, Haigh relieves the highs, the lows, the fun and the follies. The result is a new way of looking at Warne, at sport and at Australia. 'Bloody brilliant... As good as anything I have read on the game' Guardian Winner of The Cricket Society and MCC Book of the Year

Hold What You've Got: The Joe Tex Story Jason Martinko, 2018-12-05 In the history of American soul music, perhaps no other artist has been more overlooked than Joe Tex. During the golden age of soul music in the 1960's, Tex was not only a tremendous singer and dancer, but he wrote many hit songs, including his own four biggest hit records. This book follows his early days in Texas, his success and struggles on the road, his 25-year recording career, his life-long rivalry with James Brown, his conversion to the Muslim faith, and his triumphant return to show business. Joe Tex is one of the most dynamic and talented artists in the history of American music. Here is his story. Rare photographs and discography included.

Dark Side of the Tune: Popular Music and Violence Professor Bruce Johnson, Professor Martin Cloonan, 2013-01-28 Written against the academically dominant but simplistic romanticization of popular music as a positive force, this book focuses on the 'dark side' of the subject. It is a pioneering examination of the ways in which popular music has been deployed in association with violence, ranging from what appears to be an incidental relationship, to one in which music is explicitly applied as an instrument of violence. A preliminary overview of the physiological and cognitive foundations of sounding/hearing which are distinctive within the sensorium, discloses in particular their potential for organic and psychic violence. The study then elaborates working definitions of key terms (including the vexed idea of the 'popular') for the purposes of this investigation, and provides a historical survey of examples of the nexus between music and violence, from (pre)Biblical times to the late nineteenth century. The second half of the book concentrates on the modern era, marked in

this case by the emergence of technologies by which music can be electronically augmented, generated, and disseminated, beginning with the advent of sound recording from the 1870s, and proceeding to audio-internet and other contemporary audio-technologies. Johnson and Cloonan argue that these technologies have transformed the potential of music to mediate cultural confrontations from the local to the global, particularly through violence. The authors present a taxonomy of case histories in the connection between popular music and violence, through increasingly intense forms of that relationship, culminating in the topical examples of music and torture, including those in Bosnia, Darfur, and by US forces in Iraq and Guantánamo Bay. This, however, is not simply a succession of data, but an argumentative synthesis. Thus, the final section debates the implications of this nexus both for popular music studies itself, and also in cultural policy and regulation, the ethics of citizenship, and arguments about human rights.

Michael Clarke Michael Clarke,2016-10-18 He was the greatest batsman of his generation and, as captain, possessed the sharpest tactical mind in the game. Bursting onto the scene in 2004 with a Test century on debut, Michael Clarke was Australian cricket's golden boy. And the batting prodigy they nicknamed 'Pup' certainly fulfilled his destiny in a stellar 11-year international career of 115 Tests, 8643 runs and 28 centuries. Clarke's rollercoaster four-year reign as Test captain was marked as much by bravery as brilliance - a 5-0 whitewash of England in 2013-14, the 2015 World Cup triumph, and a ten-hour unbeaten 161, batting with a broken shoulder to lead Australia back to the #1 world ranking in 2014. Yet Michael Clarke also sparked fiercer debate than any other Australian sports star. For a decade his personal life, career fortunes and controversies - real or imagined - were splashed across front pages and scrutinised. Was he simply a hard-working, western suburbs kid living every Aussie boy's dream? Or a 21st century cricketer mired in all the trappings of celebrity? In the echo chamber of social media, the truth about Michael Clarke was warped, then lost. Clarke's enigma deepened but he kept his mouth shut and his dignity intact, knowing the chance to tell his extraordinary story would finally come. And now it has. My Story is the real Michael Clarke, standing up and speaking out for the first time. Bucking the conventions of traditional biography to go hard at the big issues, Clarke speaks fearlessly and poignantly about the scandals, rumours and explosive moments of his life; revealing the amazing truths, private pain and personal triumphs that no one realised. It's the incredible story of a remarkable Australian you never really knew. Until now.

Playing It My Way Sachin Tendulkar,2014-11-06 'I don't think anyone, apart from Don Bradman, is in the same class as Sachin Tendulkar.' -Shane Warne Readers are in love with Sachin Tendulkar's autobiography: 'A must read for anyone who knows cricket' □□□□□ 'An idol . . . An inspiration' □□□□□ 'A great book by one of the all time greats' □□□□□ 'Brings back so many wonderful memories'□□□□□ 'This book has made me feel proud to be a lover of the game and has inspired me to succeed in everything I do.' □□□□□ The story of the greatest cricket player of all time, told in his own words. _____ The greatest run-scorer in the history of cricket, Sachin Tendulkar retired in 2013 after an astonishing 24 years at the top. The

most celebrated Indian cricketer of all time, he received the Bharat Ratna Award - India's highest civilian honour - on the day of his retirement. Now Sachin Tendulkar tells his own remarkable story - from his first Test cap at the age of 16 to his 100th international century and the emotional final farewell that brought his country to a standstill. When a boisterous Mumbai youngster's excess energies were channelled into cricket, the result was record-breaking schoolboy batting exploits that launched the career of a cricketing phenomenon. Before long Sachin Tendulkar was the cornerstone of India's batting line-up, his every move watched by a cricket-mad nation's devoted followers. Never has a cricketer been burdened with so many expectations; never has a cricketer performed at such a high level for so long and with such style - scoring more runs and making more centuries than any other player, in both Tests and one-day games. And perhaps only one cricketer could have brought together a shocked nation by defiantly scoring a Test century shortly after terrorist attacks rocked Mumbai. His many achievements with India include winning the World Cup and topping the world Test rankings. Yet he has also known his fair share of frustration and failure - from injuries and early World Cup exits to stinging criticism from the press, especially during his unhappy tenure as captain. Despite his celebrity status, Sachin Tendulkar has always remained a very private man, devoted to his family and his country. Now, for the first time, he provides a fascinating insight into his personal life and gives a frank and revealing account of a sporting life like no other. _____

Ginger Meggs Tristan Bancks,2021-05-04 Celebrating 100 years of the iconic character and Aussie legend Ginger Meggs, these four brand new and original stories are written by Tristan Bancks, the great-great nephew of creator Jimmy Bancks, and illustrated in full colour by the current Ginger Meggs comic-strip cartoonist, Jason Chatfield. Kids and grown-ups alike will revel in the rambunctious adventures and comical capers of the ginger kid who never gets old.

Dust & Grooves Eilon Paz,2015-09-15 A photographic look into the world of vinyl record collectors—including Questlove—in the most intimate of environments—their record rooms. Compelling photographic essays from photographer Eilon Paz are paired with in-depth and insightful interviews to illustrate what motivates these collectors to keep digging for more records. The reader gets an up close and personal look at a variety of well-known vinyl champions, including Gilles Peterson and King Britt, as well as a glimpse into the collections of known and unknown DJs, producers, record dealers, and everyday enthusiasts. Driven by his love for vinyl records, Paz takes us on a five-year journey unearthing the very soul of the vinyl community.

Billboard ,1958-01-06 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

The Last Miles George Cole,2007-07-17 The story of the final recordings of one of the greatest jazz musicians of the twentieth century
