Sahaja Yoga - an Experiential Treatise Saraswati Raman, V N Phadke, 2014-12-20 The book *Sahaja Yoga- An Experiential Treatise* is a translation of the original Marathi work titled *Sahaja Yoga- Anubhavache Bol* written by Mr. V. N. Phadke which was written by him at the request of our Holy mother, Shri Mataji Nirmala Devi. The book is based on his own experiments with application of Sahaja Yoga for treatment of various ailments, to find intuitively solutions to some common problems faced by man and also to find the truth as to certain beliefs of his community for which the encouragement came from Shri Mataji Nirmala Devi herself. Saraswati Ramans interest and dedication to Sahaja Yoga and its meditation led her to explore a course in medicine leading to an MD in Alternative Medicine from the Indian Board for Alternative Sciences, Kolkata and started off on her journey in Music too by learning, just to discover the treatments of various diseases through Music and Sahaja Yoga meditation. A lady full of positive vibes and approach, towards every aspect of life; ever smiling, her journey to explore the Culture of our country and its tradition has taken this form of a beautiful compilation of this literature. We are proud to have her as one of the gems of Sahaja Yogis that are blooming on this Earth. Jai Shri Mataji. With lots of love, Pramila Rao, Krez Kreations, Real Estate, Ad-films & Media.

Sahaja Yoga Saraswati Raman, 2018 The book *Sahaja Yoga: Healing and Integration of Your Subtle Energy System*, written by Saraswati Raman, describes at length the process of activating the dormant Kundalini energy lying within the sacrum bone in each one of us and raising it upward through the chakras along the spinal column through the Sushumna Nadi until it reaches the Sahasrar, or the fontanel bone area, where it unites with the cosmic energy. She speaks of the various healing benefits of Sahaja Yoga: stress management and its utility in attaining an emotional balance. The second part of the book deals with the use of sound, musical notes, and ragas in the activation and energizing of chakras. Music also has been widely used as therapy through its impact on the energy vortices and, thereby, its influence on the various glands and systems within the body. The third part speaks about incarnations and how the various Avatars incarnated to give an impetus to evolution on earth more particularly toward helping the momentum in the evolution of humanity. The work is the outcome of her own application of Sahaja Yoga and its impact in bringing about an all-around integration of the personality—physical, emotional, intellectual, and spiritual.

Sahaja Yoga-The Secret to Self-Unfoldment and Transformation Saraswati Raman, 2011-02-21 The other day, I was

listening to the talk given by Shri Mataji on the occasion of Her birthday Puja celebrations at Sydney on 21st March 1990. Expressing how overwhelmed She felt at the lovely messages, beautiful decorations, thoughtful gifts and letters of devotees not only from Sydney but from all over the world, She said that what had started off from a single point had now encompassed the whole world like an ocean of joy and fulfillment. What more could one ask for than ruminate over the sweetness and find out an occasion to return to that joy through loving gestures, caring actions and nice thoughtful words. She had expressed on that occasion that it would be a good idea to bring out a collection in the form of a book of all the nice things that can be said and done, provided it is done at the right time, right place and on the right occasion. This book is an endeavor to put together a few of the introspective transformations that one can bring about in moments of thoughtless awareness to brighten up one's own life as a part of the evolutionary process that we are all undergoing. And what better gift could be than to present this creative endeavor at the holy feet of our Dear Mother who has given us so much all in a span of one life time and that too actualizing it for us. I hope you will enjoy reading it and picking up the right flower from the garden of this collection and presenting it to the right person on the right occasion as we so often have found our beloved Mother taking all the care in the world to do so for us.

Sahaja Yoga Saraswati Raman,2020-10-24 The latest book Sahaja Yoga- An experiential Treatise is filled with practical application of the powers of Sahaja Yoga to problems that we encounter in daily life. The book Sahaja Yoga- An experiential Treatise, originally written by V N Phadke in Marathi and the English translation by Saraswati Raman extols the incarnation of Adi Shakti to strengthen the qualities of human beings gripped by disillusionment. Adi Shakti, who incarnated in the embodiment of Shri Mataji Nirmal Devi, spread the knowledge of Sahaja Yoga, a method of Self- Realization by awakening the Kundalini in the ordinary man. Sahaja Yoga is a movement founded in 1970, by Her Holiness Shri Mataji Nirmala Devi, popularly known as Mother or Mataji by her followers. According to the movement meditation is followed by Self-Realization produced by Kundalini awakening accompanied by thoughtless awareness or mental silence. Shri V. N Phadke, who had the good fortune to be with Shri Mataji since the time She began Her work in the 70s and seek personal guidance in experimenting with Sahaja yoga in proving or disproving certain practices or rituals, also put in concerted efforts in applying Sahaja Yoga techniques to cure various illnesses of the body. V N Phadke who writes about his experiences in the awakening of the Kundalini and attaining Self-realization had applied the technique to the Dumb and Deaf students of the school where he was a teacher. In this book, Saraswati Raman, presents the English translation of the anecdotes and experiments of Shri V. N Phadke in using Sahaja Yoga to cure health problems like kidney stone, fever, stomach aches, rashes, heart problems and paralysis. The book reveals the possibilities of Sahaja Yoga and with patience and courage, can be used for various purposes. This amazing book on Sahaja Yoga deals with the adventure and scholarly research of Nirmala Mataji. The English translation of the book by Saraswati Raman is a master piece of all times. The episodes reveal the true characters, their

experiences and their strengths- a step out of unrecorded history not of one era but for all eras and for all times.

Sahaja Christopher Greaves,2012-09-11 Who are we? Who are we really? What is our purpose here? And how can we make this a better world? Sahaja Yoga answers these questions. It answers them not only intellectually, in the form of an idea, and not only as a felt response, in the form of a mood of the heart, but also as an actual living happening. Practical, simple, and free, it transforms us from within and thereby brings about the evolution that we seek. Shri Mataji Nirmala Devi, the founder of this Yoga, advised the author of Sahaja that he should write a substantial account of her discovery. This book, whose aim is to offer a rounded understanding of and thorough grounding in Sahaja Yoga, is the result.

The author examines how newcomers adopt new practices and allegiances on becoming full-time members, and how most develop a radically new awareness of 'spiritual vibrations' as a result of the regular meditation suggested by Sri Mataji. To do so, she reflects upon current theories of socialisation, in particular building up understandings about new social worlds than has so far been appreciated. This accessible and informative account is of particular value to scholars working in the study of religions and new religious movements, and of interest to those working on theories of socialisation. However, the book is required reading for anyone who wants to know more about the contemporary religious landscape.

Foundations of Sahaja Yoga Shri Mataji Nirmala Devi,2020-04-05 Many of the foundations of Sahaja Yoga can be found in the early talks of the 1970s and early 80s. This book looks back at ten days in India between 1972 and 1977 when Shri Mataji spoke to us: unique moments, gems of wisdom, insights said only once. As one Sahaja Yogi at the time put it, "Shri Mataji, first you make the summit, then you make the foundations." Shri Mataji later explained: "The human mind is used to doing things in a ritual way. To raise this house, you have to first dig the foundation, then the piling up and then you have those pillars and the roof. That is how they plan out things. But in God's own kingdom there is no planning. You just sit down and you just enjoy." Consider now some of the foundations of Sahaja Yoga.
