Handbook of Freemasonry ,2014-06-12 Freemasonry is the largest, oldest, and most influential secret society in the world. The Brill Handbook of Freemasonry is a pioneering work that brings together, for the first time, leading scholars on Freemasonry. The first section covers historical perspectives, such as the origins and early history of Freemasonry. The second deals with the relationship between Freemasonry and specific religious traditions such as the Catholic Church, Judaism, and Islam. In the third section, organisational themes, such as the use of rituals, are explored, while the fourth section deals with issues related to society and politics - women, blacks, colonialism, nationalism, and war. The fifth and final section is devoted to Freemasonry and culture, including music, literature, modern art, architecture and material culture.

The Freemason at Work Harry Carr,2012 This is one of the most successful Masonic Publications in recent times due to the immense knowledge of the late Harry Carr and his entertaining writing style. If you enjoy your masonry then this book will bring a new delight to all that you see and hear in lodge. When Harry Carr became secretary and editor of the Quatuor Coronati Lodge of Research, the answering of lodge questions became a major part of his duties. In a style that became a hall mark of all his masonic writing, he always answered a little more than the original question. In response to hundreds of requests from all over the world, the answers he gave to questions during his twelve years office as editor of Quatuor Coronati Transactions have been collected together in this book. Only the best and most interesting subjects are included and every question will be relevant to most brethren in the course of their work in the lodge ? hence the title *The Freemason at Work* This book was substantially revised by Frederick Smyth, the eminent Masonic author and Past Master of Quatuor Coronati Lodge, in 1992; brining the text right up-to-date for much had change since the book was first published in 1976. This is a book to be treasured, one that will provide a wealth of knowledge in an easy to read style. A collection of more than 200 questions with comprehensive answers to all manner of masonic subjects.

The Complete Idiot's Guide to Freemasonry, 2nd Edition S. Brent Morris, Ph.D.,2013-02-21 Freemasonry is an ancient secret society shrouded in obscurity. Fascination with the mysteries of the Masons reached a fevered pitch after the release of Dan Brown's novels *Angels and Demons*, *The Da Vinci Code*, and *The Lost Symbol*. But these novels and their related movies raised more questions than they answered. *The Complete Idiot's Guide® to Freemasonry, Second Edition*, fills readers in on the truths behind the mysteries. In it, readers get: - A fact-filled overview of the birth and beginnings of Freemasonry, including its relationship to the Knights Templar and Egypt. - Fascinating facts about famous Masons. - An explanation of the various Masonic organizations, such as the York and Scottish rites, and the Shriners. - A behind-the-scenes look at what really goes on in a Masonic lodge, including initiations. - A new walking tour of Washington, DC, pointing out the hidden Masonic symbols featured in *The Lost Symbol*. - Scripts for Masonic rituals, giving a flavor of the language used in such ceremonies. - A field guide to Masonic symbols and regalia, with photos and explanations of significance. - The history behind Masonic philanthropic efforts and youth groups. - A history of African-American Freemasonry and the role of women in Masonic organizations.

The Royal Masonic Cyclopaedia of History, Rites, Symbolism, and Biography Kenneth R. H.

Mackenzie,2012-06-28 The nineteenth-century writer and Masonic scholar Kenneth R. H. Mackenzie (1833-86) studied occultism with Frederick Hockley, and met the famous French occultist Éliphas Lévi in 1861. He was also involved in the foundation of the Hermetic Order of the Golden Dawn. This extensive encyclopaedia, first published in 1877, is considered to be a classic Masonic reference work. It includes detailed information on the symbols, rites, legends, terms, people and places associated with Freemasonry. Some of the symbols are illustrated and lists of rankings are given, including a 'traditional' list of Grand Masters of England that includes Sts Swithin and Dunstan, Alfred the Great, Sir Christopher Wren (twice) and Charles II. Mackenzie aims in his entries to be critical when relevant: as he says in the Preface, freemasonry has 'received a willing tribute' in his book, but he hints at difficulties encountered in publishing material about a famously secretive society.

The Seven Storey Mountain Thomas Merton,2009 The complete and unedited edition of Thomas Merton's famous autobiography, one of the greatest works of spiritual pilgrimage ever written.

A Cyclopaedia of Canadian Biography: Being Chiefly Men of the Time Various, 2019-12-16 This book is an outstanding collection of biographies of famous Canadian men. Hundreds of names are featured inside, with some whose contributions may have already been lost to history. The book is organized in alphabetical order, and features these individuals, amongst many others: Richard Pim, Evan John Price, John Ratcliffe, David W. Robb, Willis Russell, Henri C. Saint-Pierre, and Noah Shakespeare.

10,000 Famous Freemasons William Denslow, 2007-06 This is volume one of four. This very rare and long out of print biographical work is a must for any Mason with a desire for Masonic research. This is NOT a photocopy of the original work, but a completely new, re-type set edition. While a few editorial changes have been made the work is for the most part as it was when first published. The largest change is the addenda that was at the end of the 4th edition. The addenda was a collection of corrections and additions to the work. We have incorporated the corrections and additions into the work itself removing the need for the addenda. DON'T FORGET: This is a FOUR book set with each book sold separately. The ISBNs are: 1887560319, 1887560793, 1887560424 & 1887560068.
