## Mike Dooley

**Playing the Matrix** Mike Dooley, 2019-07-23 From the New York Times bestselling author of *Infinite Possibilities* and *Life on Earth* *Playing the Matrix* is a master class for creating the life you want to live. Tried and true, delivered and perfected over a decade while being shared live with tens of thousands of students in 132 cities, in 34 countries, upon 6 continents. This is Mike Dooley's advanced course on living deliberately and creating consciously. The concepts he shares were born of material he's delivered to live audiences the world over, culminating in his most impactful, most transformational program ever. Now, for the first time in 17 years of touring, these ideas are to be shared in book form. At the heart of the Matrix lies a simple yet highly unexpected concept for creating major life change that's unlike anything shared by other teachers, past and present. It clearly reveals why "manifesting" sometimes works with incredible ease, why it sometimes doesn't work at all, and why, on occasion, it works, and yet in hindsight we wish it hadn't. Readers will not only learn about the "Bermuda Triangle of Manifesting" that too often leads to heartbreak and loss, they'll learn how to navigate around it, under full sail, with their own new "a-ha" moments that will teach them: • How to achieve clarity in purpose and desire and thereby avoid contradictions and self-sabotage • How to fuel their dreams with passion while not attaching to unimportant details and outcomes • How to plan and take action on their dreams without "messing with the cursed how's"! And so much more...

*Life on Earth* Mike Dooley, 2018-07-24 · What's happening in the world lately? · How can I be happy when so many are not? · Is life about following your heart or taking what's served to you? · Who were the prophets, what are angels, and what happens when we die? · What happened to our ancient civilizations, do secret societies have any real secrets, and are aliens now visiting us? · What's real? What matters? Who says? Who cares? · How do we know or find our purpose? Many of us ask ourselves these questions, and many more, as we go through our days and try to make sense of our lives. Mike Dooley asks them too, except . . . his questions get answered. Wisely. Compassionately. Fully. One such answer explained its source, stating that we all have a higher self within that predates this life and will live beyond it, and thus it knows a whole lot more than we do about where we've been, why we're here, and what will likely happen next on planet Earth. *Life on Earth* takes the form of a journal in which Mike asks what's on his mind during pivotal times in his life. As one of today's most respected New Thought leaders and reality theorists, he offers a lofty platform for this wide-ranging dialogue that powerfully expands our perspectives on essential truths, taking on topics such as: · Why and how to see through the "illusions" of life on earth · How to make sense of natural disasters and man-made tragedies · Living deliberately, creating consciously, and finding your power · Wealth, relationships, "past lives," and the evolution of consciousness · The ultimate reason for life on earth (it's shockingly simple) These are questions asked from the heart with a cautious, even suspicious, mind. Mike explores the subtleties of the replies in depth and detail using his trademark wit and realism, in this intrepid explorer's guide to the jungles of time and space.

speaking, don't you wonder what they would say to those of us they've left behind? What would they tell us to soothe our sorrow for their loss, calm our fears of what happens when we die, and fire us up to live the best possible lives we can right now? Dodging Energy Vampires Christiane Northrup, M.D., 2018-04-17 Highly sensitive people—or empaths—see life through the eyes of compassion and caring. They were born that way. As a result, they carry a tremendous amount of inner light. But they're also the favored prey of “vampires” who feed off empaths' energy and disrupt their lives on every level—physical, emotional, and financial. In *Dodging Energy Vampires*, Christiane Northrup, M.D., draws on the latest research in this exciting new field, along with stories from her global community and her own life, to explore the phenomenon of energy vampires and show us how we can spot them, dodge their tactics, and take back our own energy. You'll delve into the dynamics of vampire-empath relationships and discover how vampires use others' energy to fuel their own dysfunctional lives. Once you recognize the patterns of behavior that mark these relationships, you'll be empowered to identify the vampires in your life too. In these pages, Dr. Northrup opens up a toolbox full of techniques you can use to leave these harmful relationships behind; heal from the darkness they've cast over your mind, body, and spirit; and let your own light shine. In the end, you may find yourself healthier, happier, wealthier, and more vibrant than you ever believed possible.

*Channeled Messages from Deep Space* Mike Dooley, Tracy Farquhar, 2018-09-18 New York Times best-selling author Mike Dooley, one of today's most celebrated New Thought leaders, holds a conversation with a collective of intelligent beings--channeled by Tracy Farquhar--to shed light on a new era of expanded awareness and limitless possibilities. How are we doing as a civilization? Why are societies so deeply divided? What happened to the many advanced cultures that preceded ours? Are there sentient beings visiting us from other planets, and if so, why haven't they made themselves known? Is there a God like the one we've been taught to believe in? And how far might spirituality take us, or does science hold the key to progress? We all ask questions like these not even expecting answers--but what if answers existed? Would we recognize the truth once uncovered? Enter Frank: a collective of eight beings from a distant planet who know what we're going through because they've been there too. Their civilization, once beset by many of the same challenges we face, has now advanced to a point where they can offer an informed and compassionate perspective on our trials, tribulations, and triumphs here on Earth.

Speaking to Mike Dooley, one of today's most celebrated New Thought leaders, with medium Tracy Farquhar serving as their channel, Frank answers questions about: • Life on Brahoshka, from culture, technology, and education to leisure pursuits, food supply, relationships... • Pressing earthly matters, from our political and social realities to the truth behind the Loch Ness Monster • The power of imagination, meditation, concentrated thought, divination, and prayer • The truth concerning angels, other dimensions, and what we can do to make a better world
