*A Guide to Renovating the Bridgeport 2J Variable Speed Milling Machine* L. L. C. ILION Industrial Services, LLC, 2013-02-14 ILION Industrial Services is pleased to announce this brand new renovation manual which is written specifically for the Bridgeport 2J variable speed mills. If you are planning on refurbishing your Bridgeport Series 1 2J or 2J2 Mill or if you are out in the market looking for a good used Bridgeport, then this manual is a great place to start. *A Guide to Renovating the Bridgeport 2J Variable Speed Milling Machine* ; our 152 page soft-cover shop manual, is fully illustrated with over 400 B&W photographs and diagrams, plus step-by-step instructions for disassembling, cleaning, reassembling and adjusting all of the critical components of the variable speed 2J milling machine. The manual also illustrates the difference in the various models and provides guidance for evaluating a used machine before you purchase. Bridgeport never produced a full blown maintenance manual for their mills so this is the closest you will come to a step-by-step guide. The typeface of the manual is printed two points larger than normal for those of us who prefer to work at the bench without the use of our reading glasses. The instructions are simple and easy to follow... no prior machinery renovation experience is required. Though the Bridgeport is an industrial machine, it is well suited for the home garage shop or small business and the task of loacting one, getting it home and placing it back in service is not as expensive or challenging as you may think. Let us show you how. If you are interested in the original Bridgeport J Head (the Step-Pulley model), please check out our other books.

**On the Loose** Terry Russell,Renny Russell,2001-03 On the Loose is a journey through the American West, led by two adventurous brothers, Terry and Renny Russell. It is a chronicle of triumph and tragedy--the triumph of gaining an insight about oneself through an understanding of the natural world; the tragedy of seeing its splendor increasingly threatened by people who don't know or don't care. The photographs, all taken by the authors, capture Yosemite, Point Reyes, the High Sierra, the Great Basin, and Glen Canyon in the 1950s and 1960s. Despite the fact that On the Loose has been out of print for more than a decade, contemporary readers have not forgotten this timeless classic. Readers have described On the Loose as moving and inspirational. One reader says, This book made me cry at [age] 16, and it still does at 45. Another reader notes, This book expresses that deep yearning to wander, to explore, to live fully like no other artistic expression I have ever come across.

*The Place No One Knew* Eliot Porter,2000 Glen Canyon was a place of extraordinary beauty before it disappeared, flooded when a new dam (a major mistake of our time, says environmentalist David Brower) was completed in 1963. This book is a commemorative edition of Eliot Porter's exquisite photographs of the canyon.

*Inner City Romance* Guy Colwell, 2015-02-22 Guy Colwell's 1970s underground comic book series Inner City Romance tread new territory: it was filled with stories about prison, black culture, ghetto life, the sex trade, and radical activism. It portrayed the unpleasant realities of life in the inner city, where opportunities were limited and being on the lowest end of the economic ladder meant that one's vision of the American dream was more about survival than lifestyle choices. Every issue of Inner City Romance is included in this collection, as well as many of the highly detailed paintings Colwell created at the time. In an accompanying text piece, Colwell provides context for the material.
