

Il Libro Della Pa

L Cohen

Una nuova via per l'organizzazione della PA Antonella Bianconi,2024-06-06T10:29:00+02:00 I temi affrontati nel volume riguardano principalmente l'organizzazione interna delle amministrazioni e l'analisi del ruolo considerato fondamentale dei dirigenti e dei funzionari che con le loro azioni, decisioni e comportamenti influenzano l'andamento delle attività istituzionali. Si tratta di una visione che si distacca dall'approccio tradizionale che siamo abituati a prendere in considerazione quando ci affacciamo ai temi del miglioramento delle funzioni pubbliche, rimasto ancorato agli schemi del new public management incentrati quasi esclusivamente sul controllo dei costi e la misurazione delle prestazioni in chiave efficientista. Concentrare le energie esclusivamente sul controllo e la misurazione delle prestazioni può distogliere chi opera negli uffici pubblici dalla missione istituzionale che deve contribuire a realizzare. L'intervento migliorativo dovrebbe riguardare l'organizzazione delle persone e delle loro attività concentrandosi sulle relazioni e non esclusivamente sui processi o meglio evidenziare nei processi i principali snodi relazionali per cogliere la natura delle relazioni per agire su di esse attivando professionalmente i beni relazionali e in particolare la fiducia.

Atlas: The Story of Pa Salt Lucinda Riley,Harry Whittaker,2023-05-11 THE INSTANT #1 INTERNATIONAL BESTSELLER FROM LUCINDA RILEY Discover how the story ends - and how it all began. Maia, Ally, Star, CeCe, Tiggy, Electra and their long-lost missing sister are gathered together for the first time, on board the Titan, to say a final goodbye to the enigmatic father they loved so dearly. He has entrusted each of them with a clue to their past. But for every truth revealed another question emerges. How did Pa Salt amass his fortune? Why did he choose to adopt the sisters and why were they chosen from such different parts of the world? Have the answers been there all along, if only they had known where to find them? The sisters must confront the idea that their adored father was someone they barely knew - and, even more shockingly, that his long-buried secrets may still echo through the generations today. In Atlas: The Story of Pa Salt, the epic conclusion to the internationally bestselling Seven Sisters series, everything will be revealed at last.

La pubblica amministrazione digitale. Appunti per gli operatori della P.A. Mario Canton,2017-07-07 Ho iniziato a scrivere questo libro seguendo un corso di aggiornamento lavorativo sulla digitalizzazione nella Pubblica Amministrazione durante il quale ho cercato pervicacemente di dare un senso al profluvio di normativa dalla quale sono stati «investiti» gli operatori per attuare la tanto decantata «rivoluzione digitale» nella P.A. Così, per sintetizzare questa esperienza formativa e

per venire incontro alle esigenze di altri nella medesima situazione, ho pensato di scrivere - mettendoli in ordine - questi appunti, che certamente non saranno fondamentali da un punto di vista operativo, ma spero che lo siano almeno da un punto di vista concettuale. Facendosi un'idea della problematica, potrebbe aumentare la fiducia in sé stessi e nella propria capacità di cambiare - lentamente e faticosamente - le situazioni in essere e potrebbe anche diminuire il senso di isolamento e di scoraggiamento a fronte di risorse sempre limitate. Questi gli argomenti trattati: - la digitalizzazione nella P.A.; - la transizione dal cartaceo; - la documentazione; - i problemi di sicurezza; - la riusabilità; - il concetto di documento (cartaceo e informatico); - il protocollo informatico; - la protezione dei dati personali; - l'archivio (cartaceo e digitale); - il documento informatico sin dall'origine; - i flussi documentali e la loro analisi; - l'identità digitale; - la posta elettronica certificata; - gli amministratori di sistema; - il piano triennale di informatizzazione della P.A.; - una esperienza pratica di attuazione; - una appendice contenente il testo integrale del Codice dell'Amministrazione Digitale (nella sua ultima versione) e delle Regole Tecniche dell'AgID.

Il libro dell' amore Marco Antonio Canini,1890

La riforma della pubblica amministrazione tra diritto e management Hinna Luciano,Lasalvia Massimo,2011-05-30 Un libro completo ed esauriente sulla riforma della pubblica amministrazione. Ad un anno e mezzo di distanza dal suo varo, il testo offre la possibilità di decifrare e metabolizzare le norme, comprenderle nei suoi risvolti tecnici oltre che normativi spostando l'asse dell'approfondimento dal che cosa fare a come fare per modificare i comportamenti. Due gli assi portanti del libro: quello giuridico e quello economico aziendale. Insieme offrono una chiave di lettura manageriale per i dirigenti pubblici che devono applicare la riforma, ma anche per i dipendenti ai quali come è avvenuto negli altri paesi è assegnato un compito importante e centrale: riconvertirsi a quello che erano un tempo, quando la P.A. non era un ammortizzatore sociale, e divenire di nuovo un civil servant per conciliare le esigenze generali del paese con quelle individuali dei dipendenti pubblici.
