Christine de Pizan : Texts/intertexts/contexts Marilynn Desmond,1998 Christine de Pizan, an Italian-born writer in French in the early 15th century, composed lyric poetry, debate poetry, political biography, and allegory. Her texts constantly negotiate the hierarchical and repressive discourses of late medieval court culture. How they do so is the focus of this volume, which places Christine's work in the context of larger discussions about medieval authorship, identity, and categories of difference.
