

The Cambridge Companion To The Age Of Justinian

Ying-Ying Zheng

The Cambridge Companion to the Age of Justinian Michael Maas, 2005-04-18 This book introduces the Age of Justinian, the last Roman century and the first flowering of Byzantine culture. Dominated by the policies and personality of emperor Justinian I (527-565), this period of grand achievements and far-reaching failures witnessed the transformation of the Mediterranean world. In this volume, twenty specialists explore the most important aspects of the age including the mechanics and theory of empire, warfare, urbanism, and economy. It also discusses the impact of the great plague, the codification of Roman law, and the many religious upheavals taking place at the time. Consideration is given to imperial relations with the papacy, northern barbarians, the Persians, and other eastern peoples, shedding new light on a dramatic and highly significant historical period.

The Cambridge Companion to the Age of Justinian Michael Maas, 2005 This book introduces the Age of Justinian, the last Roman century and the first flowering of Byzantine culture. Dominated by the policies and personality of emperor Justinian I (527-565), this period of grand achievements and far-reaching failures witnessed the transformation of the Mediterranean world. In this volume, twenty specialists explore the most important aspects of the age including the mechanics and theory of empire, warfare, urbanism, and economy. It also discusses the impact of the great plague, the codification of Roman law, and the many religious upheavals taking place at the time. Consideration is given to imperial relations with the papacy, northern barbarians, the Persians, and other eastern peoples, shedding new light on a dramatic and highly significant historical period.

Economy and Society in the Age of Justinian Peter Sarris, 2006-09-28 The reign of the Byzantine Emperor Justinian (527-65) stands out in late Roman and medieval history. Justinian re-conquered far-flung territories from the barbarians, overhauled the Empire's administrative framework and codified for posterity the inherited tradition of Roman law. This work represents a modern study in English of the social and economic history of the Eastern Roman Empire in the reign of the Emperor Justinian. Drawing upon papyrological, numismatic, legal, literary and archaeological evidence, the study seeks to reconstruct the emergent nature of relations between landowners and peasants, and aristocrats and emperors in the late antique Eastern Empire. It provides a social and economic context in which to situate the Emperor Justinian's mid-sixth-century reform programme, and questions the implications of the Eastern Empire's pattern of social and economic

development under Justinian for its subsequent, post-Justinianic history.

The Cambridge Companion to the Age of Attila Michael Maas,2015 This book considers the great cultural and geopolitical changes in western Eurasia in the fifth century CE. It focuses on the Roman Empire, but it also examines the changes taking place in northern Europe, in Iran under the Sasanian Empire, and on the great Eurasian steppe. Attila is presented as a contributor to and a symbol of these transformations.

The Cambridge Companion to Roman Law David Johnston,2015-02-23 This book reflects the wide range of current scholarship on Roman law, covering private, criminal and public law.

Justinian and the Sixth Century Fiona Haarer,2022-01-31 This book combines comprehensive discussion of the main aspects of Justinian's rule, together with a varied selection of source material, from both textual and material culture, making it a valuable resource for students and lecturers alike.

The Cambridge Companion to Epicureanism James Warren,2009-07-02 This Companion presents both an introduction to the history of the ancient philosophical school of Epicureanism and also a critical account of the major areas of its philosophical interest. Chapters span the school's history from the early Hellenistic Garden to the Roman Empire and its later reception in the Early Modern period, introducing the reader to the Epicureans' contributions in physics, metaphysics, epistemology, psychology, ethics and politics. The international team of contributors includes scholars who have produced innovative and original research in various areas of Epicurean thought and they have produced essays which are accessible and of interest to philosophers, classicists, and anyone concerned with the diversity and preoccupations of Epicurean philosophy and the state of academic research in this field. The volume emphasises the interrelation of the different areas of the Epicureans' philosophical interests while also drawing attention to points of interpretative difficulty and controversy.

The Age of Justinian J. A. S. Evans,2002-01-04 The Age of Justinian examines the reign of the great emperor Justinian (527-565) and his wife Theodora, who advanced from the theatre to the throne. The origins of the irrevocable split between East and West, between the Byzantine and the Persian Empire are chronicled, which continue up to the present day. The book looks at the social structure of sixth century Byzantium, and the neighbours that surrounded the empire. It also deals with Justinian's wars, which restored Italy, Africa and a part of Spain to the empire.

The Secret History Prokopios,2010-03-15 By exposing the perversion, repression, corruption, and injustice at the heart of Justinian's regime, Prokopios' The Secret History destroyed forever that emperor's reputation as the great and benevolent ruler of a vast Byzantine state. Faithfully rendered here in blunt and idiomatic English, Prokopios' tell-all is as shocking today as it was in the sixth century. Kaldellis' substantial Introduction addresses, among other topics, the historical background to The Secret History; Prokopios' literary style and major themes; and the relationships between Prokopios, Justinian, and

Empress Theodora. Maps, genealogies, a glossary, and a selection of related texts (including excerpts from Prokopios' Wars and Buildings and several contemporary documents) enhance and support the reading of this scandalous and suspenseful book.

The Roman Empire in Late Antiquity Hugh Elton, 2018-11-22 In this volume, Hugh Elton offers a detailed and up to date history of the last centuries of the Roman Empire. Beginning with the crisis of the third century, he covers the rise of Christianity, the key Church Councils, the fall of the West to the Barbarians, the Justinianic reconquest, and concludes with the twin wars against Persians and Arabs in the seventh century AD. Elton isolates two major themes that emerge in this period. He notes that a new form of decision-making was created, whereby committees debated civil, military, and religious matters before the emperor, who was the final arbiter. Elton also highlights the evolution of the relationship between aristocrats and the Empire, and provides new insights into the mechanics of administering the Empire, as well as frontier and military policies. Supported by primary documents and anecdotes, *The Roman Empire in Late Antiquity* is designed for use in undergraduate courses on late antiquity and early medieval history.

Environment and Society in the Long Late Antiquity, 2019-01-04 Environment and Society in the Long Late Antiquity brings together scientific, archaeological and historical evidence on the interplay of social change and environmental phenomena at the end of Antiquity and the dawn of the Middle Ages, covering the period ca. 300-800 AD. It gives a new impetus to the study of the environmental history of this crucial period of transition between two major epochs in premodern history. The volume contains both systematic overviews of the previous scholarship and available data, as well as a number of interdisciplinary case studies. It covers a wide range of topics, including the histories of landscape, climate, disease and earthquakes, all intertwined with social, cultural, economic and political developments. Contributors are Daniel Abel-Schaad , Francesca Alba-Sánchez, Flavio Anselmetti, José Antonio López-Sáez, Daniel Ariztegui, Brunhilda Brushulli, Yolanda Carrión Marco, Alexandra Chavarría, Petra Dark, Carmen Fernández Ochoa, Martin Finné, Asunta Florenzano, Ralph Fyfe, Didier Galop, Benjamin Graham, John Haldon, Kyle Harper, Richard Hodges, Adam Izdebski, Katarina Kouli, Inga Labuhn, Tamara Lewit, Anna Maria Mercuri, Alessia Masi, Lucas McMahan, Lee Mordechai, Mario Morellón, Timothy Newfield, Almudena Orejas Saco del Valle, Leonor Peña-Chocarro, Sebastián Pérez-Díaz, Eleonora Regattieri, Stephen Rippon, Neil Roberts, Laura Sadori, Abigail Sargent, Gaia Sinopoli, Paolo Squatriti, Giovanni Stranieri, Raymond van Dam, Bernd Wagner, Mark Whittow, Penelope Wilson, Jessie Woodbridge. See inside the book.

The Cambridge Companion to the Age of Augustus Karl Galinsky, 2005-09-12 The age of Augustus, commonly dated to 30 BC - AD 14, was a pivotal period in world history. A time of tremendous change in Rome, Italy, and throughout the Mediterranean world, many developments were underway when Augustus took charge and a recurring theme is the role that he played in shaping their direction. The Cambridge Companion to the Age of Augustus captures the dynamics and richness

of this era by examining important aspects of political and social history, religion, literature, and art and architecture. The sixteen essays, written by distinguished specialists from the United States and Europe, explore the multi-faceted character of the period and the interconnections between social, religious, political, literary, and artistic developments. Introducing the reader to many of the central issues of the Age of Augustus, the essays also break new ground and will stimulate further research and discussion.

From Rome to Constantinople Hagit Amirav, R. B. ter Haar Romeny, 2007 Collection of articles arranged in 5 subsections: Historiography and rhetoric, Christianity in its social context, art and representation, Byzantium and the workings of the empire, and late antiquity in retrospect.

Readings in Late Antiquity Michael Maas, 2010 This volume seeks to make accessible to students a multiplicity of texts which illuminate the history, culture, medicine, philosophy, religion and peoples of late antiquity.

The Cambridge Companion to Christian Doctrine Colin E. Gunton, 1997-06-19 What is Christian doctrine? The fourteen specially commissioned essays in this book serve to give an answer to many aspects of that question. Written by leading theologians from America and Britain, the essays place doctrine in its setting - what it has been historically, and how it relates to other forms of culture - and outline central features of its content. They attempt to answer questions such as 'what has, and does, Christian doctrine teach about God, the creation, the human condition and human behaviour?' and 'what is the part played in Christian doctrine by the Trinity, Jesus Christ and the Holy Spirit?' New readers will find this an accessible and stimulating introduction to the main themes of Christian doctrine, while advanced students will find a useful summary of recent developments which demonstrates the variety, coherence and intellectual vitality of contemporary Christian thought.

A Companion to Late Antique Literature Scott McGill, Edward J. Watts, 2018-07-27 Noted scholars in the field explore the rich variety of late antique literature With contributions from leading scholars in the field, *A Companion to Late Antique Literature* presents a broad review of late antique literature. The late antique period encompasses a significant transitional era in literary history from the mid-third century to the early seventh century. The Companion covers notable Greek and Latin texts of the period and provides a varied overview of literature written in six other late antique languages. Comprehensive in scope, this important volume presents new research, methodologies, and significant debates in the field. The Companion explores the histories, forms, features, audiences, and uses of the literature of the period. This authoritative text: Provides an inclusive overview of late antique literature Offers the widest survey to date of the literary traditions and forms of the period, including those in several languages other than Greek and Latin Presents the most current research and new methodologies in the field Contains contributions from an international group of contributors Written for students and scholars of late antiquity, this comprehensive volume provides an authoritative review of the literature from the era.

The Cambridge Companion to the Age of Pericles Loren J. Samons II, 2007-01-15 Mid-fifth-century Athens saw the

development of the Athenian empire, the radicalization of Athenian democracy through the empowerment of poorer citizens, the adornment of the city through a massive and expensive building program, the classical age of Athenian tragedy, the assembly of intellectuals offering novel approaches to philosophical and scientific issues, and the end of the Spartan-Athenian alliance against Persia and the beginning of open hostilities between the two greatest powers of ancient Greece. The Athenian statesman Pericles both fostered and supported many of these developments. Although it is no longer fashionable to view Periclean Athens as a social or cultural paradigm, study of the history, society, art, and literature of mid-fifth-century Athens remains central to any understanding of Greek history. This collection of essays reveal the political, religious, economic, social, artistic, literary, intellectual, and military infrastructure that made the Age of Pericles possible.

The Cambridge Companion to Muhammad Jonathan E. Brockopp, 2010-04-19 A collection of essays by some of the most accomplished scholars in the field exploring the life and legacy of the Prophet.

A Little History of the World E. H. Gombrich, 2014-10-01 E. H. Gombrich's *Little History of the World*, though written in 1935, has become one of the treasures of historical writing since its first publication in English in 2005. The Yale edition alone has now sold over half a million copies, and the book is available worldwide in almost thirty languages. Gombrich was of course the best-known art historian of his time, and his text suggests illustrations on every page. This illustrated edition of the *Little History* brings together the pellucid humanity of his narrative with the images that may well have been in his mind's eye as he wrote the book. The two hundred illustrations—most of them in full color—are not simple embellishments, though they are beautiful. They emerge from the text, enrich the author's intention, and deepen the pleasure of reading this remarkable work. For this edition the text is reset in a spacious format, flowing around illustrations that range from paintings to line drawings, emblems, motifs, and symbols. The book incorporates freshly drawn maps, a revised preface, and a new index. Blending high-grade design, fine paper, and classic binding, this is both a sumptuous gift book and an enhanced edition of a timeless account of human history.

The Wars of Justinian Prokopios, 2014-09-03 A fully-outfitted edition of Prokopios' late Antique masterpiece of military history and ethnography--for the 21st-century reader. At last . . . the translation that we have needed for so long: a fresh, lively, readable, and faithful rendering of Prokopios' *Wars*, which in a single volume will make this fundamental work of late ancient history-writing accessible to a whole new generation of students. --Jonathan Conant, Brown University

The Cambridge Companion To The Age Of Justinian

Introduction

In today's digital age, the availability of The Cambridge Companion To The Age Of Justinian books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Cambridge Companion To The Age Of Justinian books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Cambridge Companion To The Age Of Justinian books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Cambridge Companion To The Age Of Justinian versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Cambridge Companion To The Age Of Justinian books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF

books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Cambridge Companion To The Age Of Justinian books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Cambridge Companion To The Age Of Justinian books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable

examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Cambridge Companion To The Age Of Justinian books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Cambridge Companion To The Age Of Justinian books and manuals for download and embark on your journey of knowledge?

FAQs About The Cambridge Companion To The Age Of Justinian Books

1. Where can I buy The Cambridge Companion To The Age Of Justinian books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon,

- Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
