The Zetas Robert Shapiro, 2010-05-15 The beings on Zeta Reticuli are the future selves -- granted, several million years into the future -- of the beings on Earth right now. On the soul line, this has to do with your evolution to become more, to be more established benevolently on a creative level. By the time your souls become those Zeta Reticulian beings several million years into the future, you will be able to interact with all life in the most benevolent way while being strongly intellectual and scientific. In this way, your science will have a complete balance with heart and soul. This is one of the greatest aspects of significance between you and the Zeta Reticulian beings as of this time. So to them you are their past lives -- that's why they're so fascinated with you -- but for you, when you interact with these beings, you are truly meeting, in many senses, your future. -- Zoosh through Robert Shapiro If you can do nothing else when you read this book, look around on your planet. Look at all the different forms of life and know that from the smallest to the largest, they all have cousins on other planets. And while they might not look exactly the same on other planets, there are similarities that you would notice, not unlike how you notice similarities from one family member to another. They do not look identical, but there are similarities. When you travel, you will note that, but when you return, you will always be happy to be home. Welcome to the universe -- Joopah through Robert Shapiro

Ultimate UFO Series Robert Shapiro, 2003-11-01 Time-Traveling Eighth-Dimensional Andromedans Visit Earth They

Share Advanced Science with a Mexican Professor, a Physicist. They Share Details of Their Interaction with a Devastating Nuclear Explosion Involving Two Countries on Earth. The Physicist Is Later Committed to a Mental Institution and Then Disappears Forever. His Journals Also Disappear. Now the Andromedans who originally contacted the Professor speak through Super channel Robert Shapiro and again give instructions that will allow trained scientists to construct a shield around existing Earth planes so that Earth astronauts can fly to Mars or to the stars. The Andromedans also tell what really happened on their journeys and on Earth, and they clear up questions one would have after reading the English or Spanish version of the previous book-the text of which follows the channeling in this book. In addition, they supply a lively account of their lives on their home planet in the Andromedan constellation of our galaxy. The eight-foot-tall, highly mental crew members of the ship who speak: Leia, the beautiful Cultural Specialist and Social Diplomat who so intrigued the Professor Cheswa, the Cultural Liason G-dansa, Leia's daughter, equivalent to an eight-year-old ET Eloise Duszan, the Junior Scientist Onzo, the Senior Scientist and Crew Leader, the youngest, yet genetically modified to be the most brilliant of the crew Playmate, a two-foot-tall roly-poly Andromedan who teaches communion of heart and mind

Channeling Joel Bjorling, 2019-06-19 Originally published in 1992, Channeling is a comprehensive bibliography on the subject of channeling. The book defines channeling as any message received or conveyed from transcendent entities and covers material on the history of channeling, those that have claimed to transcend death, contact with UFOs and contemporary channeling groups. The book acts as a research guide and seeks to outline the historical roots of channeling, explaining its major teachings and considers its significance as a spiritual movement. It provides sources from books, booklets, articles, and ephemeral material and offers a comprehensive list of both primary and secondary materials related to channeling, the bibliography takes the most diverse and useful sources of the time. This volume although published almost 30 years ago, still provides a unique and insightful collection for academics of religion, in particular those researching spiritualism and the occult.

UFOs & Alien Contact Robert E. Bartholomew, George S. Howard, 1998 The most detailed and comprehensive examination yet of 100 years of UFO reports, sighting waves, and abduction claims spanning two centuries, UFO and Alien Contact utilizes rare press reports and incorporates copious notes and documentation of stories to provide a gripping, humorous, and at times horrifying account.

The UFO Evidence Richard H. Hall, 2001-01-03 Patterned after the first volume published in 1964, *The UFO Evidence*, Volume II is much anticipated by the research community. The book reports 30 years of UFO sightings since 1964 with related data and descriptive features organized by category. Among the topics discussed are the now strongly established patterns of UFO sightings, the growing evidence worldwide that UFOs represent someone's technology, the history of government sponsored UFO investigations, and political and human responses to UFO sightings. The master chronology is an incredibly complete listing, which also refers the reader to pertinent sections in the book for fuller descriptions.

The UFO phenomenon is put into folkloric and psychological perspective, revealing much about our collective psyche. From religious beliefs and legends to movies and TV shows; from advertising and celebrities to Internet sites and photo ops; this illustrated A-Z encyclopedia is your first stop resource for understanding UFO beliefs and their impact on contemporary America. The Alien Tide Tom Dongo, 1990-01-01 I would venture a guess that if someone were to go to a place such as Syracuse, Little Rock, San Antonio, Key West, Pocatello, Des Moines, or Spokane and dig around for two years as I did here, that person would come up with as much material as I have about Sedona. The following incidents and encounters are a

broad representation of UFO/ET encounters by area residents and visitors. My opinion is that many of these incidents resulted in the abduction of the individuals involved. I have talked at length with most of these people. It's difficult to put into words the sincerity and concern that was reflected in their voices and faces about what they had experienced. When a mature man or woman breaks down emotionally over a UFO experience they are reliving in an interview, this is to me strong evidence that the person is not lying or simply making up a story. I feel fortunate to have shared in their experiences, and I share in turn these experiences here with you.â€
