

The Family Zemirov

Sarah M. Schleimer

The Family Zemirov, 1989 ArtScroll mesorah Series. Grace after meals and Sabbath songs translated and annotated. Hebrew and English.

Chutzpah Alan M. Dershowitz, 1992-05 The well-known attorney discusses what it is like to be Jewish today, examining such issues as anti-Semitism, the Holocaust, assimilation, Zionism, civil rights, the role of Jews in the U.S.S.R., and changes in Eastern Europe.

Deceptive Images Charles S. Liebman, 2018-02-06 Deceptive Images is a profoundly thoughtful effort by a social scientist—who is a participant observer in American Jewish life—to come to terms with his concerns about how American Jews and Judaism have been studied, and his sensitivity to the policy implications of such studies. Liebman writes about what he cares deeply about; as a social scientist he is able to use concepts and theories in which he has been trained, although not without a sense of their limitations. In the passionately argued book that results, Liebman contends that those concerned with American Jews, both social scientists and communal leaders, have placed too much emphasis on what Jews do and too little emphasis on Judaism itself. Because they have depended too much on quantitative studies to help them understand contemporary American Jews, they have given too little encouragement to efforts to probe the meaning of Judaism in the lives of American Jews. This stimulating volume takes exception to the notion that American Jewish life is flourishing. It calls for reassessment both of the study of American Judaism and the priorities of American Jewish organizations.

Shaarei Halachah Ze'ev Grunwald, 2000 This masterpiece fills a great need for our generation--a generation characterized by a thirst for the eternal values of Judaism. Now, the English-speaking reader can enjoy a clearly written and easy to read summary of Jewish law, based on the Mishnah Berurah. Among the many topics included in this work are: Tzitzis, the daily routine, prayer, tefillin, blessings, the Sabbath, festivals and special days, the dietary laws, and mourning. Shaarei Halachah has been hailed as the Kitzur Shulchan Aruch for our time.

Sefer 'Oz Ve-hadar Levushah E. Falk, 1998 Tznius -- modesty -- is an integral facet of Jewish life. In a world where modesty is recognized more by its absence than by its presence, there has never been a greater need for a definitive work on this vital quality. But what precisely are the laws of modesty, what are its parameters, where are its applications? In this long-awaited work, the laws and ideology of modesty are tackled in an exhaustive and comprehensive manner. All the laws of

Tznius, whether in dress or behavior, speech and social interaction, are collated and explained in the clear and lucid manner that is characteristic of the author. -- Back cover.

Gutta Gutta Sternbuch, David Kranzler, 2005 *Memoirs of Sternbuch (née Eisenzweig)*, an Orthodox Jew from Warsaw. Pp. 63-138 describe her experiences in the Holocaust, including the Nazi occupation and life in the ghetto. Sternbuch and several other young women who had been students at the Bais Yaakov Seminary conducted secret classes in Jewish studies for girls in the ghetto. She also taught at Janusz Korczak's orphanage until July 1942, when she received Paraguayan passports from her future husband, Eli; she and her mother were then incarcerated in the Pawiak prison. In January 1943 they were transported to the Vittel internment camp in France, where Sternbuch also organized classes for Jewish girls. In December 1943 Paraguay rescinded recognition of the passports issued to the Jews, and most of the Jews in Vittel were deported. Sternbuch and her mother escaped and went into hiding until their liberation in September 1944. She married after the war and, with her husband, helped Jewish survivors in France and then in Switzerland. Pp. 175-243 contain two essays by Kranzler on Jewish life in Poland before the war.

The Spiritual Transformation of Jews Who Become Orthodox Roberta G. Sands, 2019-06-01 A psychological study, based on extensive interview data, of Jewish adults who take on a devout lifestyle. Spiritual transformation is the process of changing one's beliefs, values, attitudes, and everyday behaviors related to a transcendent experience or higher power.

Jewish adults who adopt Orthodoxy provide a clear example of spiritual transformation within a religious context. With little prior exposure to traditional practice, these baalei teshuvah (literally, “masters of return” in Hebrew) turn away from their former way of life, take on strict religious obligations, and intensify their spiritual commitment. This book examines the process of adopting Orthodox Judaism and the extensive life changes that are required. Based on forty-eight individual interviews as well as focus groups and interviews with community outreach leaders, it uses psychological developmental theory and the concept of socialization to understand this journey. Roberta G. Sands examines the study participants’ family backgrounds, initial explorations, decisions to make a commitment, spiritual struggles, and psychological and social integration. The process is at first exciting, as baalei teshuvah make new discoveries and learn new practices. Yet after commitment and immersion in an Orthodox community, they face challenges furthering their education, gaining cultural knowledge, and raising a family without parental role models. By showing how baalei teshuvah integrate their new understandings of Judaism into their identities, Sands provides fresh insight into a significant aspect of contemporary Orthodoxy. “Sands’s judicious and comprehensive application of social science theories to the study of Jewish returnees provides a unique contribution to the social scientific study of religion.” — Roberta Rosenberg Farber, coeditor of *Jews in America: A Contemporary Reader*

Can I Play Chess on Shabbas Joe Bobker, 2008 Joe Bobker's easy-to-read, indispensable and educational tour de force of the complexities of the laws of Shabbas and the beauty of the lores of Shabbas! Did you ever wonder? Is long-life relative to Shabbas? What's the essence of Shabbas? How did Shabbas observance become the standard of Judaism itself? What's the difference between to remember and to observe? How is it possible to suddenly become holy just because it's Shabbas? Is Shabbas good for the Jews or are the Jews good for Shabbas? What does Shabbas have to do with God's DNA? Why candles? Why not start the Shabbas with cake or herring? Why do Jewish women get the mitzva of lighting Shabbas candles? What does Sheki'a mean? Why does my mother cover her eyes when lighting Shabbas candles? I only have enough money to buy

Shabbas candles or wine? Which one do I buy? What if I can't light candles on time? Can I make ice cream for the kids on Shabbas? Can I go to a baseball match on Shabbas if someone else carries my ticket for me? Can I go jogging on Shabbas? Can my children build lego sets on Shabbas? Can I pet my dog on Shabbas? Can I set a mouse trap on Shabbas? I was raised in the outback of Australia and we often came across rattlesnakes on Shabbos. What were we supposed to do? Have you seen the price of fish lately! It's more than a barrel of oil! Must I buy it for Shabbas? Can I make ice cubes on Shabbas? Can I open a beer bottle on Shabbas?...

Far from the Place We Called Home Sarah M. Schleimer, 1994 Evacuated to England from Nazi Germany during World War II, several Jewish children struggle to observe Judaism, rebuild their lives, and search for their parents after the war.
