The EHRA Book of Interventional Electrophysiology Hein Heidbuchel, Mattias Duytschaever, Haran Burri, 2017-04-07
The EHRA Book of Interventional Electrophysiology is the second official textbook of European Heart Rhythm Association (EHRA). Using clinical cases to encourage practical learning, this book assists electrophysiologists and device specialists in tackling both common and unusual situations that they may encounter during daily practice. Richly illustrated, and covering electrophysiological procedures for supra-ventricular and ventricular arrhythmias, the book enables specialists to deepen their understanding of complex concepts and techniques. Tracings, covering supra-ventricular and ventricular arrhythmias, are presented with multiple-choice questions to allow readers to hone their skills for interpreting challenging cases and to prepare for the EHRA certification exam in electrophysiology. Cases include Orthodromic AVRT, PV Isolation, VT ablation, and Atypical left atrial flutter to name a few. The EHRA Book of Interventional Electrophysiology is a wide-ranging, practical case-book, written by leading experts in the field and edited by members of the EHRA education committee: an essential companion for electrophysiologists and trainees alike.

History of France J. Michelet,

The New Land Richard Chadbourne, Hallvard Dahlie, 2006-01-01 The essays in this volume were originally presented at a workshop held at the University of Calgary on August 1-5, 1977 and sponsored by the Calgary Institute for the Humanities. The phrase "the new land" underwent careful scrutiny and reassessment during the course of the conference, and the insights that resulted from the readings and discussions were of considerable value to participants and observers alike. Chronologically and thematically the essays cover a wide range: from La Nouvelle France as seen by the early missionaries and by the French Romantic writer Chateaubriand to variations on the new land theme in present-day Québec; from the Prairies as seen by an early homesteader-novelist from France, Constantin-Weyer, to the Manitoba of Gabrielle Roy, which in turn is contrasted to the Nebraska of Willa Cather; from a historical recreation of the Saskatchewan landscape and history by a gifted contemporary novelist Rudy Wiebe, to a paradisaical celebration of British Columbia reflected in the later works of Malcolm Lowry. What emerged from all of this, among other things, was the articulation of a mythology about the new land that was far more complex and expansive than the one derived originally through an old-world perspective.

The Dunning School John David Smith, J. Vincent Lowery, 2013-10-14 From the late nineteenth century until World War I, a group of Columbia University students gathered under the mentorship of the renowned historian William Archibald Dunning (1857--1922). Known as the Dunning School, these students wrote the first generation of state studies on the Reconstruction -- volumes that generally sympathized with white southerners, interpreted radical Reconstruction as a mean-spirited usurpation of federal power, and cast the Republican Party as a coalition of carpetbaggers, freedmen, scalawags, and former Unionists. Edited by the award-winning historian John David Smith and J. Vincent Lowery, *The Dunning School* focuses on this controversial group of historians and its scholarly output. Despite their methodological limitations and racial bias, the Dunning historians' writings prefigured the sources and questions that later historians of the Reconstruction would utilize and address. Many of their pioneering dissertations remain important to ongoing debates on the broad meaning of the Civil War and Reconstruction and the evolution of American historical scholarship. This groundbreaking collection of original essays offers a fair and critical assessment of the Dunning School that focuses on the group's purpose, the strengths and weaknesses of its constituents, and its legacy. Squaring the past with the present, this important book also explores the evolution of historical interpretations over time and illuminates the ways in which contemporary political, racial, and social questions shape historical analyses.

Frontiers of Hispanic Theology in the United States Allan Figueroa Deck, 2017-01-24 With the emerging vitality of the Hispanic church in the United States, the voices of Hispanic theology raise a new and vital challenge. A bridge between the North American church and the liberation theology of Latin America, Hispanic theology reflects on the experience of faith rooted in the cultures, histories, and hopes of the Hispanic people here in the U.S. *Frontiers of Hispanic Theology in the United States* draws on the key figures and explores the central themes of Hispanic theology, including such issues as

popular religion, spirituality, liturgy, Hispanic feminist perspectives, and the meaning of mestizaje as a source of theological reflection. What emerges is a truly contextual theology, rooted in the unique cultures and tradition of Hispanic Catholics, a theology which also issues a wider challenge to the Anglo church and the world theological community.

The Complete Works of C. H. Spurgeon, Volume 54 Spurgeon, Charles H., Volume 54 Sermons 3073-3124 Charles Spurgeon (19 June 1834 - 31 January 1892) is one of the church's most famous preachers and Christianity's foremost prolific writers. Called the "Prince of Preachers," he was one of England's most notable ministers for most of the second half of the nineteenth century, and he still remains highly influential among Christians of different denominations today. His sermons have spread all over the world, and his many printed works have been cherished classics for decades. In his lifetime, Spurgeon preached to more than 10 million people, often up to ten times each week. He was the pastor of the congregation of the New Park Street Chapel (later the Metropolitan Tabernacle) in London for 38 years. He was an inexhaustible author of various kinds of works including sermons, commentaries, an autobiography, as well as books on prayer, devotionals, magazines, poetry, hymns and more. Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration, and his oratory and writing skills held his audiences spellbound. Many Christians have discovered Spurgeon's messages to be among the best in Christian literature. Edward Walford wrote in *Old and New London: Volume 6 (1878)* quoting an article from the Times regarding one of Spurgeon's meetings at Surrey: "Fancy a congregation consisting of 10,000 souls, streaming into the hall, mounting the galleries, humming, buzzing, and swarming—a mighty hive of bees—eager to secure at first the best places, and, at last, any place at all. After waiting more than half an hour—for if you wish to have a seat you must be there at least that space of time in advance—Mr. Spurgeon ascended his tribune. To the hum, and rush, and trampling of men, succeeded a low, concentrated thrill and murmur of devotion, which seemed to run at once, like an electric current, through the breast of every one present, and by this magnetic chain the preacher held us fast bound for about two hours. It is not my purpose to give a summary of his discourse. It is enough to say of his voice, that its power and volume are sufficient to reach every one in that vast assembly; of his language, that it is neither high-flown nor homely; of his style, that it is at times familiar, at times declamatory, but always happy, and often eloquent; of his doctrine, that neither the 'Calvinist' nor the 'Baptist' appears in the forefront of the battle which is waged by Mr. Spurgeon with relentless animosity, and with Gospel weapons, against irreligion, cant, hypocrisy, pride, and those secret bosom-sins which so easily beset a man in daily life; and to sum up all in a word, it is enough to say of the man himself, that he impresses you with a perfect conviction of his sincerity." More than a hundred years after his death, Charles Spurgeon's legacy continues to effectively inspire the church around the world. For this reason, Delmarva Publications has chosen to publish the complete works of Charles Spurgeon.
