Business Essentials for Strategic Communicators M. Ragas,E. Culp,2014-12-17 The rise of digital media and the public's demand for transparency has elevated the importance of communication for every business. To have a voice or seat at the table and maximize their full value, a strategic communicator must be able to speak the language and understand business goals, issues, and trends. The challenge is that many communicators don't hold an MBA and didn't study business in college. Business Essentials for Strategic Communicators provides communication professionals and students with the essential 'Business 101' knowledge they need to navigate the business world with the best of them. Readers will learn the essentials of financial statements and terminology, the stock market, public companies, and more--all with an eye on how this knowledge helps them do their jobs better as communication professionals.

Marketing Research Essentials Carl McDaniel (Jr.),Roger H. Gates,2016

The Essentials of Contemporary Marketing Mo Willan,2021-08-05 An essential guide to contemporary marketing that demonstrates, via case studies, the move towards marketing techniques that better reflect consumer needs. As the effectiveness of traditional marketing techniques continues to diminish, contemporary marketing increasingly becomes the

most reliable method of expanding outreach and reflecting the needs of the modern consumer. When implemented, these contemporary strategies offer the greatest support for their client base, with a product range that adapts to the desires of the target market. The channels used to underpin these strategies are also radically different from traditional methods - placing emphasis upon platforms such as social media. Designed for both undergraduate and postgraduate students, as well as those in executive education and general business, *The Essentials of Contemporary Marketing* covers a wide range of themes, including: - Consumer behaviour - The latest marketing research - Services marketing - Brand management - Global marketing, and - Ethics in marketing. Each chapter includes case studies to illustrate and contextualise the topics covered, featuring companies as diverse as Amazon, McLaren, Unilever, UBS and Virgin Money. In alignment with its subject matter, *The Essentials of Contemporary Marketing* prioritises practicality over theory-based content - providing a comprehensive and contextualised insight into how marketing is developing in the 21st century.

Reading Across the Disciplines Kathleen T. McWhorter, 2004-04 *Reading Across the Disciplines* has been a popular textbook with instructors whose students do not require an abundance of skill instruction and who teach college reading through the use of readings from across the disciplines. To prepare students for the expectations of higher education, Kathleen McWhorter uses high-interest readings from a variety of academic sources and provides concise reading skills with immediate practice for reinforcement. Discipline-specific reading skills offer tips for reading and learning within the particular discipline, so students learn content as well as strategy.

American Public School Law Kern Alexander, M. David Alexander, 2011-01-01 Alexander and Alexander's best-selling AMERICAN PUBLIC SCHOOL LAW sets the standard for books in educational law, an increasingly vital area of expertise for today's school and district administrators. Now in its Eighth Edition, this combined textbook/casebook provides an authoritative and comprehensive view of the law that governs the public school system of the United States, including common law, statutes, and constitutional laws as they affect students, teachers, and administrators. Featuring civil and criminal cases selected from hundreds of jurisdictions and newly updated to reflect the latest legal trends and precedents, the book reviews key laws and relevant court decisions. The case method offers ample opportunity for discussions aimed at discovering and exposing the underlying rules and reasoning, and the text actively encourages readers to relate factual situations to the law while anticipating similar experiences they may have as practicing teachers and administrators. Written in an engaging and accessible style, AMERICAN PUBLIC SCHOOL LAW, Eighth Edition, explains even complex points of law clearly and effectively for non-lawyers, and the authors maintain a diligent focus on the unique needs of professional educators preparing for successful careers in administration. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
