**Adventures in God** John G. Lake,2011-09-13 Lake was originally from Ontario, Canada. He was from a large family, which was continually affected with illness. At the age of twenty-one, he became a Methodist minister; however, he chose to enter the business world instead of accepting a church ministry. Lake was a very industrious businessman and started two newspapers before beginning a very successful career in real estate. Early in his career, Lake's wife, whom he deeply loved, fell ill with a life threatening illness. Having a lifetime of suffering and bereavement behind him, he refused to accept this. He took the radical step of taking 'his brother who had been an invalid for 22 years to Chicago see John Alexander Dowie . In a matter of just moments after healing ministers laid their hands on him, he was healed -- he got up and walked out! Next, the Lakes took their 34-year-old sister who was dying from breast cancer. She had been operated on five times and had to be carried on a stretcher. She too was healed!

**I Love Jesus, But I Want to Die** Sarah J. Robinson,2021-05-11 A compassionate, shame-free guide for your darkest

days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church

What happens when loving Jesus doesn’t cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you’re left wondering if God has abandoned you. You just want a way out. But there’s hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn’t look like what you expect.

Spiritual Direction and the Care of Souls Gary W. Moon, David G. Benner, 2009-09-20 In recent years, many Christian clergy, laity and mental health professionals have rediscovered the ancient practices of spiritual direction. Seen as a refreshing alternative to the techniques and limitations of modern psychology, such practices offer new insights for pastoral care. But many remain unclear on what spiritual direction is and whether its methods are applicable to their own clients and parishioners. Spiritual direction is a practice of Christian soul care that is found most notably in the Catholic, Orthodox and Episcopal traditions but is also present in Wesleyan/Holiness, Pentecostal/charismatic, social justice and Reformed communities. Predating modern counseling and psychotherapy movements but sharing key principles and insights for spiritual formation, spiritual direction offers significant resources for today's pastors, counselors, therapists, chaplains and other caregivers attuned to the work of God in people's lives. In this landmark volume, editors Gary W. Moon and David G. Benner, along with a team of expert contributors, provide a comprehensive survey of spiritual direction in its myriad Christian forms. Specific chapters offer careful historical perspective and contemporary analysis of how Christians from

various backgrounds have practiced spiritual direction, with particular attention to each tradition's definition of spiritual direction, the process of authentic transformation, the role of the spiritual director, indicators of mature spirituality and other aspects of the spiritual direction process. Chapters also provide psychological and clinical insight into how spiritual direction is similar to, different from and can be integrated with psychotherapy and pastoral counseling to help others experience spiritual transformation and union with God.
