

Modern Microeconomics

HL Ahuja

Modern Microeconomics HL Ahuja, 2017 The nineteenth edition of Modern Microeconomics continues to provide a detailed understanding of the foundations of microeconomics. While it provides a solid foundation for economic analysis, it also lucidly explains the mathematical derivations of various microeconomic concepts. This textbook would be extremely useful for the students of economics.

Modern Microeconomics A. Koutsoyiannis, 1975-11-01

Secret Origins of Modern Microeconomics Robert Burton Ekelund, Robert F. Hébert, 1999-03-15 Using documents previously unavailable in English, the authors present a cohesive and original picture of French economic thought that solidly documents the contributions of Dupuit and his colleagues. Ekelund and Hébert build their argument by focusing on the development of economic theory in the peculiar milieu of postrevolutionary France in an attempt to identify the essence of the French contribution and the extent to which the French legacy benefited other economists of international acclaim. They conclude that the kinds of issues in economic theory and policy that Dupuit and his colleagues found arresting and worthy of analysis in the nineteenth century are still pertinent today and will continue to interest economists into the twenty-first century. This seminal work will be of great importance to historians of economics and all economists interested in the foundations of modern microeconomics.

Modern Microeconomics: Theory and Applications, 19th Edition Ahuja H.L., The nineteenth edition of Modern Microeconomics continues to provide a detailed understanding of the foundations of microeconomics. While it provides a solid foundation for economic analysis, it also lucidly explains the mathematical derivations of various microeconomic concepts. This textbook would be extremely useful for the students of economics.

Introduction to Modern Microeconomics Kelvin Lancaster, 1974

Modern Microeconomics David N. Hyman, 1993

Modern Microeconomics A. Koutsoyiannis, 2003 Providing a thorough exposition of the traditional and the modern micro-theory, this text concentrates on the models of behaviour of the basic economic units, consumers and producers. The main emphasis is on oligopoly, which is the typical market structure of the modern industrial world.

Modern Micro Economics H. L. Ahuja,1983

Modern Microeconomics A. Koutsoyiannis,1979

Modern Microeconomic Theory William T. Sher,Rudy Pinola,1986 Presents the theory of production and cost, consumer behavior and demand, markets and prices, income distribution and factor markets, general equilibrium and welfare economics. Describes the decisionmaking under uncertainty and some issues in economic policy.

Modern Microeconomics David N. Hyman,1988-11-01

Modern Microeconomics Hyman,1993-01-01

Modern Microeconomics S K. Misra,1998

Vilfredo Pareto and the Birth of Modern Microeconomics Luigino Bruni,2002 There has been a recent resurgence of interest in the work of Vilfredo Pareto, one of the founders of modern economics. This book reconstructs the genesis and significance of Pareto's theory of choice which is Pareto's greatest contribution to economic science and which was used by John Hicks, amongst others, to develop microeconomics. Hicks, Allen, Samuelson and others acknowledged Pareto as the father of the new ordinalist microeconomics but at the same time, portrayed him as confused and contradictory, caught between the old and new paradigms. Luigino Bruni argues that Pareto's revolution in choice theory is better understood in the context of his own philosophical framework. This framework is revealed by reconstructing his dialogues with economists (Pantaleoni) and philosophers (Vailati and Croce), and by exploring Pareto's economic theory in the light of his philosophy of science. In addition, Luigino Bruni argues that Pareto's contribution was different and more complex than Hicks's ordinalism and Samuelson's operationalism. From this analysis emerges an image of Pareto as a man whose ideas and work was only partially fulfilled. This original and sometimes unconventional book will be of great interest to economists, historians of economic thought and philosophers of the social sciences.

Ludwig Von Mises Eamonn Butler,1987

Modern Microeconomics David N. Hyman,1989

Modern Economics □ An Analytical Study, 20th Edition Ahuja H.L.,2016 In its 20th edition, this trusted definitive text is a comprehensive treatise on modern economics. It discusses in detail microeconomics, macroeconomics, monetary theory and policy, international economics, public finance and fiscal policy and above all economics of growth and development. The book has been exhaustively revised to provide students an in-depth understanding of the fundamental concepts and is streamlined to focus on current topics and developments in the field.

Modern Micro Economics A. Koutsoyiannis,1979
